

# FAMILY CAMP

**QUENTIN ROAD BAPTIST CHURCH**

Dear Camper -

We are so excited about QR Family Camp 2019!

It is our prayer that these few days will be filled with family fun and spiritual refreshment. Please let us know if there is anything we can do to make your time more enjoyable.

Pastor and Karen

## Guidelines

Please exercise safety and courtesy at all times and conduct yourself in a manner befitting servants of Christ. This includes the use of appropriate language around others and respect for both the camp and other campers. In order to provide a Christ-honoring and positive atmosphere, campers are expected to abide by all Camp Joy rules. Camp Joy is a Christian camp where Christian principles are taught. Campers who are disruptive to the program will be asked to leave the camp and no refund will be given.

The goal of Family Camp is to provide an environment for you and your family to grow in your walk with the Lord. The Evening Meetings are an excellent place to do that. There will be special meetings for the kids each evening as well.

### **Dress**

We ask that campers dress in a modest fashion. No two-piece swimsuits for women and no speedos for men. Please wear shirts over swimwear when not at the waterfront. Shorts to the knees and modest tops are expected at all times.

### **Bikes**

Please ride at a moderate pace, yielding to pedestrians.

### **Hiking/Biking**

For your safety, we encourage you to let someone know where you will be hiking/biking.

### **Waterfront**

Campers 10 years old and younger must wear a life jacket on the dock and be accompanied by an adult. Swimming is only allowed in the designated areas when Lifeguards are on duty.

### **Boats**

Boats must be removed from the water each night. No watercraft are allowed in the designated swimming areas. Campers under 10 must be accompanied (in the same boat) by an adult. Campers under 18 years old are required to wear a lifejacket while boating.

### **Fishing**

The lake is patrolled by Wisconsin DNR. Please follow all state and local fishing regulations.

### **Range**

Please do not bring firearms. The camp will provide them. Personal archery equipment is allowed.

Out of respect for other campers, please do not bring any pets and refrain from playing loud music.
